

## " Beautiful All Over "

It is absolutely wonderful,  
To have someone come into your life,  
Who is caring and giving and gracious.

Someone whose smiles are like sunshine and laughter,  
And whose words always seems to say the things,  
You most need to hear...  
Because those magical people are really beautiful...  
( inside )...

Most of all,  
It's one of the best, most special of blessings  
To have a person come into your life,  
Who can add so much pleasure and magic to the days...  
As you (already) have to mine...  
because you're some-one who...  
(is beautiful all over).
